## *Residential*

Transform your home with a custom made Shade Sail today. Elegant and stylish design, using the highest quality materials. Shadeform provide the finest, all inclusive shade solutions.

Shade sails not only look fantastic, they also offer your home protection from the sun, wind, and rain. With the ability to transform outdoor living areas, sail shading is a great way to enhance the overall ambience of your valued home.

By incorporating the colours of your existing home, we can work together to create an artistic design, which is well integrated with your home's current features.

With over twenty five years experience, the quality and vast knowledge of our team allows us to provide the best shading possible. Local manufacturing in our Flinders Park workshop, using premium fabrics and stainless steel fittings, ensures our sails will stand the test of time.

## FAMILY OWNED AND OPERATED

Shadeform is a family owned and operated business with all design and manufacturing taking place at our Flinders Park factory. The Soulsby family, with over 25 years knowledge and experience from their previous sailmaking and yacht chandlery background, have been specialising in the shade sail industry since 1996.

## TECHNOLOGY

Our state of the art, 10x3m computer cutting table, enables us to cater for even the largest of projects. High frequency welding bonds the panels together for the utmost strength and accuracy. Professional sewing machines and refined sail making techniques, create the perfect backdrop for producing high quality sails.
